Salient Features

Conducive and Stimulating environment -

All round growth, welfare and security of every child based on play way, theme based method and activity based learning tools.

Understanding Children's Need -

Combine traditional values with contemporary educational thinking to maximize the potential of our students.

Unique Resources and Curriculum -

Extensively Researched curriculum, integrated syllabus, stimulating experiences and outstanding teaching pedagogy enable children to learn in a meaningful way.

Dedicated and Talented Teachers -

Our qualified and dedicated team of learning facilitators has created an atmosphere that encourages children to become self - assured and winning learners.

Engaging Parents and communities -

We reach out to engage parents with their child's learning to make them fully aware of child's progress and involve children in community service through guidance sessions.

Montessori Lab -

Montessori is method of education that is based on self-directed activity, hands-on learning and collaborative play to embed practical approach alongside theory classes.

Infrastructure & Facilities

1 Sports Academy

Sports like Basketball, Badminton, Table tennis, Cricket, Football, Skating, Handball, and Soccer etc. are available to strengthen the physical capacity of the students.

World class tennis court for kids to become healthy, confident and physically fit.

2 Tennis Court

3 Golf Putting range

Playing golf will help children to understand and appreciate qualities like patience, positive attitude, integrity, courtesy & honesty.

Swimming is an excellent form of exercise. It will help children to work on their strength, fitness and stamina at the same time.

4 Swimming Pool

5 Horse Riding

Horse riding develops balance and improve coordination and motor function besides strengthening of muscles, improved visual perception of space & self-confidence.

The art studio is a stimulating place where children will develop ideas. The wide range of art, craft and malleable materials allows children to explore and express freely.

6 Art Studio

7 Nutrition and Diet Chart

School will provide nutritious diet charts prescribed by well-known nutritionist to students to maintain health standards.

Sports Academy

“Shaping your passion into profession”

Beyond Academic Excellence

(MUN) Model United Nation

Model United Nations (also Model UN or MUN) is a conference similar to the United Nations in which students participate as delegates to various UN Committees. Model United Nations involves researching, public, teamwork, and leadership skills.

Round Square Camp

Round Square is a worldwide association of more than 100 member schools across five continents. These schools share a commitment, beyond academic excellence, to personal development and responsibility through service, challenge, adventure and international understanding.

International Exchange Program

Special trips to NASA's Space Centre, Disneyworld and Universal Studios to extend students a world class exposure as part of the international exchange Program.

Hobby Club

Various clubs like Heritage club, Computer club, Language club, Eco/environment club etc. will help children to recognize their interests which are finally nurtured into students through various skill workshops during the summer vacations.

Career Development Club

This club will investigate children's future pathways through structured programs, Workplace Practices and within each of the Curriculum areas.

Parenting Club

A workshop on Positive Parenting will be organized from time to time for the parents in school which will highlight on some of the steps that parents need to follow to see their children bloom well having a positive demeanor.

THAMES VALLEY GLOBAL SCHOOL-
